Providing HELP, HOPE and a HOME for hurting women.

Tabitha Ministry, located in Summerfield outside of Greensboro, is a **COMPLETELY FREE** 12-month residential recovery program to help hurting women heal. Our specialty is women with a criminal record, addiction history, sex trafficking, and/or trauma background. Our program is specifically designed for success with women in their 30's and 40's who are ***sick to death*** of their lives and who are ready to make radical changes to heal and change the course of their lives.

Tabitha Ministry is a Christ-based 12-step program. Applicants need not be Christian, but they must be open to learning about the Christian faith.

For one year, our residents are placed in a "bubble" of protection from the outside world so they can focus on healing from their pain. Applicants must agree to the following terms during the 12-month residential program:

- No cell phones.
- No Internet access.
- No working outside our program.
- No driving.
- No romantic relationships.
- No drugs, alcohol, nicotine, or vaping.
- No Subutex, Suboxone, or Methadone.

The Ministry transports residents to court, probation, and medical appointments. Limited prescription medications are permitted with preapproval. All basic needs are provided by the Ministry.

Our program is very active, so applicants must be able to climb stairs and have the physical stamina to work in our thrift store an average of 20 hours a week to meet our community service requirement. The program is not set up for children or pregnant women.

To apply for our program, visit our website at www.tabithaministry.com and follow the instructions at the top of the page.
